Is this your first time here?

To take part in courses on Kaya you will need to create a free account. Do this by following the steps below.

Why do I need an account?

We need to know which courses you take so that we can keep a record of your progress, award you your certificates, and suggest other courses you might be interested in.

We also need to know who is taking part in courses so that we can look at the impact of the courses we offer and make sure we are creating courses that you want to join.

Finally, many of our courses are created using donations. We need to be able to report to our donors on the numbers of people who are using the content we create. We will not pass your personal information to our donors.

How do I create an account?

1. Complete the registration form at kayaconnect.org/register
2. When you submit the form, an email will be sent to the email address you have given us
3. To confirm your registration, click the link in the email
4. Your account will be confirmed and you will be able to log in and start taking courses

If you have challenges prompting the modules on the Kaya platform, please:

1. Ensure your browser allows for pop-up windows, and any additional blockers or add-ins doesn't prevent you from accessing the pages/modules.
2. If still not working, your flash player might be blocked, then try the following:

1. Go to your Learning Center Home Page.
2. While on your Learning Center Home Page, click on the Lock Icon (🔒) or Info Icon (lower case 'i' in a circle) located on the left in the URL/Address Bar and to the right of the Refresh Icon (🔄).

3. A drop down will appear, click on 'Site Settings' from the drop down.
4. A new tab will open which will be the site settings for the training site.
5. Locate the settings:
 - Flash
 - Images
 - Pop-ups and redirects
 - Sound
6. Change all 4 settings to 'Allow' - NOT 'Ask (default)'.
7. Close the settings tab.
8. You will be prompted to reload the page. Click on 'Reload'.
9. Relaunch your course.

3. If still not working, try address your technical issues through the Kaya support page, or contact online support available here: <https://clientsupport.eskillz.com/Chat/Interface/Core.aspx>
